Anatomy & Physiology
Mr. Mazzulli

HOW DO I GET A GOOD GRADE ON MY A & P NOTEBOOK?

To get an **A:**

- **Notebook** must be a **three-ring binder**
- **Labeled** dividers numbered in Chapter sequence
- All work **organized** chronologically according to the assignment sheet
- **ALL** paperwork **complete** including:

1. A title page
2. Class Syllabus, Safety Rules
3. Up-to-date assignment sheet
4. Student/parent signatures on appropriate papers
5. Notes with needed coloring, DNA's
6. Assignments
7. Labs-lab handouts, write-ups, analysis questions, data
8. Tests and Quizzes
9. Outlines
10. Video notes, informal handouts, study guides

To get a **B:**

- Notebook must be a three-ring binder
- Labeled dividers
- Signatures on appropriate papers
- Almost everything organized according to up-to-date assignment sheet
- Almost everything above completed

To get a **C:**

- Notebook must be a three-ring binder
- Dividers
- Some organization
- Some of the above completed

Lower than a **D:**

Don't even think about it.
